

**BSc Biological & Bioveterinary Sciences  
CURRICULUM MANAGERS LIST**

|                                   |                     |
|-----------------------------------|---------------------|
| <b>Course Director</b>            | Dr Charlotte Lawson |
| <b>1<sup>st</sup> Year Leader</b> | Dr Charlotte Lawson |
| <b>2<sup>nd</sup> Year Leader</b> | Dr Chantal Chenu    |
| <b>3<sup>rd</sup> Year Leader</b> | Dr Rachel Lawrence  |

| <b>Year 1 - Modules</b>                | <b>Module Leader</b> | <b>Deputy Module Leader</b> |
|--|----------------------|-----------------------------|
| Systems and Investigative Biology      | Charlotte Lawson     | Andrew Childs               |
| Problem Definition & Investigation     | Bradley Cobb         | Charlotte Lawson            |
| The Moving Animal                      | Monica Daley         | Tej Dhoot                   |
| The Living Cell                        | Tej Dhoot            | Charlotte Lawson            |
| Reproduction and development           | Imelda McGonnell     | Claire Russell              |
| Basic Concepts of Immunology           | Donald Palmer        | Rachel Lawrence             |
| Principles of Genetics and Inheritance | Andrew Childs        | Bradley Cobb                |

| <b>Year 2 - Modules</b>    | <b>Module Leader</b>    | <b>Deputy Module Leader</b> |
|----------------------------|-------------------------|-----------------------------|
| The Enemy Within           | Abir Mukherjee          | Chantal Chenu               |
| The Enemy Without          | Felicity D'Mello        | Sharon Kendall              |
| Principles of Pharmacology | Michelangelo Campanella | Ludovic Pelligand           |
| Imaging of Disease         | Sue Brown               | Jonathan Williams           |
| Applied Pharmacology       | Michelangelo Campanella | n/a                         |
| Research Project           | Felicity D'Mello        | Sharon Kendall              |

| <b>Year 3 - Modules</b>                                | <b>Module Leader</b>                               | <b>Deputy Module Leader</b> |
|--|--|-----------------------------|
| Advanced Skeletal Pathobiology                         | Andy Pitsillides                                   | n/a                         |
| Practical Investigative Biology                        | Charlotte Lawson                                   | n/a                         |
| Comparative Animal Locomotion                          | Richard Bomphrey                                   | n/a                         |
| Development and Disease                                | Imelda McGonnell                                   | n/a                         |
| Animal Behaviour and Welfare                           | Guiomar Liste-Ruiz                                 | Siobhan Abeyesinghe         |
| Advanced Concepts in Reproduction                      | Ali Fouladi  | n/a                         |
| Endocrine and Metabolic Systems                        | Rob Fowkes   | Abir Mukherjee              |
| Comparative Models of Disease                          | Clive Bate   | n/a                         |
| Parasitology of Human and Veterinary Tropical Diseases | Rachel Lawrence                                    | n/a                         |
| Infection & Immunity                                   | Rob Noad   | Carole Thomas               |
| Genetics in Action                                     | Geoff Pollott                                      | n/a                         |
| Principles of Pathology                                | Norelene Harrington<br><i>(Mat Leave Feb 2106)</i> | Ken Smith                   |
| Applications of Pathology                              | Henny Martineau                                    | Jonathan Williams           |
| Epidemiology: The Biggers Picture                      | Julian Drewe                                       | n/a                         |
| Advanced Concepts in Bio-business                      | Liz Jackson  | Mike Whelan                 |
| Research Project                                       | Rachel Lawrence                                    | n/a                         |
| Kings College modules                                  | Charlotte Lawson                                   | n/a                         |

|                               |               |
|-------------------------------|---------------|
| <b>Programme Co-ordinator</b> | Hannah Croall |
