Exam Board Chairs are normally appointed for a period of 4 years. The appointment can be renewed after 4 years for a maximum tenure of 8 years.

2.2 Deputy Chair

The Board of Examiners shall have a Deputy Chair appointed by the Academic Board.

A Deputy Chair:

In the 2nd and 3rd year of appointment, the Deputy Chair is expected to increase their involvement, by Chairing either the main or resit Exam Board, with support of the Chair. In the 4th year of appointment, the Deputy Chair is expected to Chair both the main Exam Board and resit Exam Board with the Chair shadowing and being available for support.
- IV. During the period of serving as a Deputy Chair, they are expected to have successfully completed the RVC's training, organised by the Examinations and Assessment team (Exams@RVC.AC.UK) before the appointment can be confirmed.
- V. A nominee should meet any requirements set by any relevant PSRBs and collaborative partner(s) for the programme in question.

3. Examiners

3.1 Assistant Examiners

Any new member of RVC staff with 'academic' duties within their role (i.e., could / will be marking something in the future) can become an Assistant Examiner. These individuals include Academic Technical Staff, Staff Veterinary Nurses, Staff Veterinary Surgeons, for example those working at the Beaumont Sainsbury Animal Hospital (BSAH), postgraduate students including interns, residents and those studying for Master's or Doctoral degrees etc. Employees at partner institutions would not qualify for this role.

Assistant Examiners can assist in the marking of scripts and in the conduct and marking of practical components of the examination. Staff members so appointed shall also be eligible to

assist in setting examination papers. Postgraduate students so appointed may not examine at a level higher than that to which they are themselves qualified. Assistant Examiners shall not participate exclusively in oral examinations unaccompanied by an Internal Examiner but may take part in examinations of specimens or animals, where these are components of a more complex oral examination; they shall not be entitled to attend meetings of the Boards of Examiners.

The Examination and Assessment team will not provide marking to RVC Assistant Examiners unless they have successfully completed the RVC's training, organised by the Examinations and Assessment team (Exams@RVC.AC.UK). The Examinations and Assessment team maintains a list of Assistant Examiners who have successfully completed the relevant training.

Assistant Examiners must be trained to become Internal Examiners, see item 3.2.

3.2 Internal Examiners

Internal Examiners materially contribute to a course of study. Internal Examiners must first have been an Assistant Examiner for a minimum of six months, and successfully completed the RVC's training organised by the Examinations and Assessment team (Exams@RVC.AC.UK). The Examinations and Assessment team maintains a list of Internal Examiners who have successfully completed the relevant training.

3.3 Assessors

Assessors shall normally be permanent members of academic staff of another institution or individuals of similar standing and/or experience, to assist in the setting and marking of examination papers in specialist areas of the curriculum. Assessors must successfully complete the RVC's training organised by the Examinations and Assessment team (Exams@RVC.AC.UK) before the appointment can be confirmed. The Examinations and Assessment team maintains a list of Assessors who have successfully completed the relevant training.

Assessors shall be entitled to attend meetings of the Board of Examiners and to participate in its discussions, but may not vote, except in two situations, the first is where an assessor is a curriculum manager e.g., course director/module leader, and the second is for jointly delivered awards, where Assessors from the partner may vote at the final board of examiners meeting.

3.4 External Examiners

External Examiners are a key part of the RVC's quality assurance and enhancement mechanism.

The main duties of External Examiners include:

- I. Ensuring that the assessment schedule satisfies the objectives of the course and covers the specified content.
- II. Approving all written examination papers.
- III. Confirming that the standard of marking is satisfactory, by scrutinising a sample of scripts and coursework.
- IV. Observing oral and clinical examinations, but not actively examining in these.

- V. Ensuring that there are no irregularities in the conduct of the examination and that it has been conducted in accordance with the Regulations.
- VI. Attending meetings of Board of Examiners held to determine the results of examinations and participating fully in all their decisions. In exceptional circumstances and with the prior agreement of the Exam Board Chair, an External Examiner may be permitted to attend the meeting remotely via video call. At least one External Examiner must be present at the Board of Examiners.
- VII. Approving results by signing lists of results.
- VIII. Submitting a report to the College each academic year. When appropriate, External Examiners may submit a confidential report to the Principal and President of the RVC.

The External Examiners are also asked to flag at the Exam Board meeting any batches of marking that lack annotations for the purpose of helping to determine why a mark(s) has been provided.

If marking is identified that lacks annotation, the Exam Board Chair must confirm the findings of the External Examiners with the Examinations and Assessment team. Once confirmed, the Exam Board Chair has two options:

- IX. To liaise with the individual internal marker(s) directly and provide feedback on how their annotations may be improved for future.
- X. To liaise with the individual internal marker(s) Head of Department with the expectation that they will discuss a lack of annotation with the relevant individual.

External Examiners may make representations to the Principal and President of the RVC if they are dissatisfied with any decision of a Board of Examiners.

External Examiners must successfully complete the RVC's training, organised by the Examinations and Assessment team (Exams@RVC.AC.UK) before the appointment can be confirmed. The Examinations and Assessment team maintains a list of External Examiners who have successfully completed the relevant training.
